MATCH CANCELLATIONS

AUTHORITY TO DELAY OR POSTPONE A MATCH

Once in progress, a match may be delayed or postponed due to unfavorable weather and/or adverse conditions beyond the control of the participating teams which would make the playing of the match impractical or dangerous. Only the referee has the authority to delay or postpone the match.

If the match needs to be terminated and the first half has been completed, the match will count as a complete and official match.

If the match is terminated prior to the completion of the first half, the teams must contact the League to discuss a reschedule date.

GRACE PERIOD BEFORE ABANDONING A MATCH

Unless both teams and the referee agree to an alternate plan, teams must wait a minimum of one hour before abandoning a match that has been delayed. The one-hour grace period may be extended up to a maximum of three hours from the scheduled start of the game, if there is a likelihood of resuming the match that day.

Both teams and the referee must abide by local and/or facility ordinances in place regarding lightning, curfew and decibel rules.

MEDICAL SERVICES

The home team must provide a Certified Trainer for the home and visiting team. The Referee **MUST** confirm the presence of a Certified Trainer or Physician one hour before kickoff. **The Referee shall not start the match without this confirmation.**

WPSL TEAM REFEREE PROCEDURES MANUAL

THE REFEREE MUST DELAY THE START OF THE MATCH FOR A MAXIMUM OF ONE HOUR FOR A CERTIFIED TRAINER OR PHYSICIAN TO ALLOW FOR THE ARRIVAL OF THE TRAINER OR PHYSICIAN.

IF A CERTIFIED TRAINER OR PHYSICIAN DOES NOT APPEAR THE REFEREE MUST ABANDON THE MATCH.

THE TEAMS MAY NOT AGREE TO PLAY THE MATCH WITHOUT A CERTIFIED ATHLETIC TRAINER OR PHYSICIAN PRESENT.

CONCUSSION PROTOCOL

Referees are to follow the current USSF concussion protocol.

The home team Trainer or Physician is the **ONLY** person who may identify concussive signs, symptoms or behavior. If the visiting team traveled with a Trainer, the home team Trainer is the "decision maker"

GAME TIME

Assistant Referees perform final check of nets and move to touch line and take offside position and unfurl flags hold them straight down to signal readiness to start.

Fourth Official goes to sideline and checks benches for only authorized persons on the bench. Signal to referee benches are checked.

Referee signals start of play.

DURING PLAY

All games shall be conducted in accordance with the most recent USSF/FIFA Laws of the Game except for Substitution Rule noted below.

FOURTH OFFICIAL

During play it shall be the responsibility of the Fourth Official to record for the game report the following:

Player who scored goal and time of the goal

Player credited with assist – NOTE: WPSL will only award ONE assist per goal maximum

Player who received caution and time

Player who is sent off and time

WPSL TEAM REFEREE PROCEDURES MANUAL

The Fourth Official has the responsibility of maintaining proper decorum on the both team benches and sidelines. This includes coaching staffs. However, recognize that during any match emotions can run high. This responsibility is often more difficult than refereeing the match since you must demand conformity with league rules but must do so in a professional and non-abusive manner. The manner in which bench or coach misconduct will be dealt with should be covered very carefully in your pre-game discussion with the referee. Do not become involved in a shouting match with the coach or individuals on the bench. It does not enhance the image of the League. If you feel it is necessary, file a report with the League and allow the League to impose the appropriate discipline.

SUBSTITUTIONS

A substitute can be used at any time throughout the duration of the game, at any dead ball situation. Each team is allowed UNLIMITED substitutions, including the goalkeeper. A player replaced by a substitute may return to the pitch in the same game.

If the Referee feels that the substitution is being made for tactical reasons, said Referee shall not grant the substitution until there is no longer any tactical advantage.

CONCLUSION OF HALF AND GAME

Secure game balls and all paper work and proceed to locker room.

MATCH REPORTING

The referee must sign the game sheet. That is your only match reporting responsibility. If you observe any minimum standard violations relating to the pitch, scoreboard, or any personal observations which you feel need to be reported to the league, you can complete the Minimum Standards Report and send it to David Simmons at redcard69@hotmail.com.

SEND OFF REPORT

If you have a send-off player—you **MUST DO THE FOLLOWING IMMEDIATELY AFTER THE MATCH.**

Call WPSL Referee Assignor David Simmons at 209-744-0402

Give David Simmons the name of the teams participating, the player sent off, her team and your telephone number. (Please, speak slowly and clearly)

Email David Simmons a detailed narrative of the reason for the sendoff. Using codes are not necessary, but the narrative must be very detailed. Use the standard USSF referee report.
